## Waiting

**Dr. JAYDEEP SARANGI**

Associate Professor

Jogesh Chandra Chaudhuri College

Kolkata, India

My thoughts are  
Waiting. Small things are  
Remembered, and stored  
In raindrops and wind blowing.  
My vegetable dreams  
Usher monsoon of hope  
When one comes to the end of things.

I sat with my daughter who kept talking  
about magic of land  
I wait  
Till the door is opened  
I'm a visitor here  
I've come to wait  
For life divine.

Now I don't look for a by-pass everywhere.  
It's straight from my heart.  
I just wait to take the path, at times I ride on time.

I wait as I don't find the way to return.  
Will someone supply me the key?  
Who can unlock the past?  
Who is not haunted by rain?  
Who will wait  
To plant saplings of my choice

And wait for fruits  
Red and juicy?

We wait for the rain to be over.  
When windows are wide open  
Fresh thoughts flood.  
Old castles live with memories  
Of ancient ghosts chanting.  
Quantum computing goes unclear.
